Teamwork Perceptions Survey

Please rate the following components of teamwork in the operating theatre teams where you regularly work. We acknowledge that your experiences will vary between different theatre teams. Please try to give an **average rating** for your experiences of teamwork across the theatres where you regularly work, rather than rating one specific theatre team.

Please note this is about the **whole theatre team**, including surgeons, nurses, techs and anaesthetists.

SA = Strongly Agree; A=Agree; N=Neutral; D=Disagree; SD=Strongly Disagree

In general, in theatres where I regularly work, senior staff (e.g. consultant surgeon and anaesthetist, senior nurse, charge tech):	SA	A	N	D	SD
1. Provide clear directions to the team					
2. Use an appropriate balance of assertiveness and support					
3. Motivate team members to do their best					
4. Establish a positive atmosphere in theatre					
5. Facilitate team problem solving during the case					
6. Role model acceptable interaction with colleagues					
7. Engage in pre case briefings of the whole team					
8. Co-ordinate tasks and individual team member contributions to patient care					
Team members:	SA	A	N	D	SD
9. Provide support to each other					
10. Shift work responsibilities to underutilised team members at times of high workload					
11. Keep an eye on other team members' performance					
12. Speak up about potential mistakes or lapses in other team members' plans or actions					
13. Provide constructive feedback regarding team member actions to facilitate self-correction					
14. Are willing to acknowledge mistakes and accept feedback					
15. Value the input of all team members to patient care					
16. Take into account alternative solutions offered by other team members					

17. Share information about the case planning, progress and concerns with other team members					
18. Involve the whole team in planning patient care					
19. Have a good understanding of the roles and abilities of their teammates					
20. Anticipate and predict each other's needs					
21. Have a lot of respect for each other					
22. Enjoy working together					
23. Exchange information clearly and concisely					
24. Use names frequently when communicating information or allocating tasks					
Global rating	SA	A	N	D	SD
25. Overall, the theatre teams I work in demonstrate effective teamwork and communication behaviours					

Comments

Which hospital are you completing this survey for?

What is your role in the operating theatre? (Please tick one)

Consultant surgeon	<input type="checkbox"/>	Surgical registrar/fellow	<input type="checkbox"/>
Consultant anaesthetist	<input type="checkbox"/>	Anaesthetic registrar/fellow	<input type="checkbox"/>
Anaesthetic technician	<input type="checkbox"/>	Theatre nurse	<input type="checkbox"/>
Other (please specify)	_____		

Male ☐ Female ☐

Which of the following best describes your ethnicity? (Please tick one)

New Zealand European	<input type="checkbox"/>	Māori	<input type="checkbox"/>
Pacific Peoples	<input type="checkbox"/>	Asian	<input type="checkbox"/>
Asian Indian	<input type="checkbox"/>	Other European	<input type="checkbox"/>
Other (please specify)	_____		

Thank you for taking the time to complete this survey
